SUPPLIER CERTIFICATE OF CONFORMANCE

Instructions

General
This form, when properly completed by the Supplier, will comply with Electrodynamics, Inc. Supplier Quality Assurance Requirements (SQAR) Form 1002, Clause 3A. Electrodynamics, Inc. is hereinafter referred to as EDI.

Unless otherwise specified, the Supplier shall prepare a Certificate of Conformance (C of C) addressing each Purchase Order (PO) line item. The C of C shall accompany each shipment. All applicable form entries must be completed.

Failure by Supplier to provide to EDI a properly completed C of C will result in a delay in payment.

Definitions

Authorized Certifying Official. The certification shall be attested to by an authorized representative of the supplier; and the certification system, including the procedures for completing, reviewing, and approving the certificate shall be described in the Company’s administrative control system or Quality Assurance program.

Certification. The act of determining, verifying, and attesting in writing to the qualifications of personnel, processed, procedures, or items in accordance with specified requirements.

Certificate of Conformance. A document signed or otherwise authenticated by an authorized individual certifying the degree to which items or services meet specified requirements.
