Supplier Notice 10-001 – Form 0605 (Addendum to L-3 Corporate General Terms & Conditions) Rev. B Changes

Valued Supply-Chain Partners -

L-3 Electroynamics (L-3 EDI) has found it necessary to make a change to Form 0605B (Addendum to L-3 Corporate General Terms & Conditions), which when specified on our Purchase Order (PO), becomes an integral part of our PO requirements flow-down to our suppliers. This change was necessitated to maintain compliance with our customers' and statutory bodies' ever-changing requirements.

In particular, Clause A-7 has been added to Form 0605. Suppliers are expected to review the requirements associated with Clause A-7 and to be fully compliant.

Form 0605B is effective for L-3 EDI Purchase Orders citing Form 0605 dated 12 July 2010 and later.

As a reminder, suppliers are expected to review our Supplier Information webpage with sufficient periodicity for updates.

Sincerely,
